

**Poro Point Management Corporation**  
**HIGHLIGHTS OF ACCOMPLISHMENTS FOR CY 2018**

**I. ORGANIZATIONAL EXCELLENCE**

**1.1 HUMAN RESOURCE DEVELOPMENT**

Cognizant of the vital role of its human resources in pursuing development efforts inside the Zone, PPMC invested in the integral development of its people and provided a wide range of opportunities for the employees to hone their professional competence as well as to enhance their personal growth. Continuing professional education is complemented by a wellness and values formation program, thus enabling them to achieve a work-life balance.

The annual Job and Competency Analysis served as the basis in the formulation and implementation of the Human Resource Development Program. For CY 2018, a total of thirty four (34) human resource development interventions were undertaken either in-house or through partner-institutions.

**VI. BUSINESS DEVELOPMENT EFFORTS INSIDE THE PORO POINT FREEPORT ZONE**

**6.1. FURTHER DEVELOPMENT OF TOURISM COMPLEX**

Home to Santorini-inspired hotel and resort, Thunderbird Resorts has become one of the most remarkable tourist destinations in Northern Luzon.

Since 2006, Thunderbird Pilipinas Hotels and Resorts, Inc. (TPHRI) has transformed the 65.5-hectare tourism complex into a world-class integrated resort with luxurious amenities and facilities.

In 2018, new attractions of Thunderbird Resorts continue to draw tourists and guests in the area. Its Ibiza-inspired beach club with infinity pool, a restaurant and a deck, called the Fira Beach Club, the Clubhouse with gym and lap pool and the Thunderbird version of California's "Urban Lights" are among the new facilities being enjoyed by visitors.

The 11,000 LED White Roses of Thunderbird Resorts is the latest attraction that wowed and impressed visitors and guests. Constructed and completed in 2018, the 11,000 rose garden is now one of the main attractions for visitors with its breathtaking scenery especially at night. Various events and concerts of national bands and artists also draws huge crowd inside the Tourism Complex.

Another milestone for TPHRI in 2018 is the 5-Star Rating of Thunderbird Resorts accredited by the Department of Tourism. Thunderbird Resorts is the first 5-Star resort in Region I.

Tourists will have something to look forward to in 2019 as the construction of ten (10) Presidential Suites at the amphitheater area was already 100% completed in 2018.

## **6.2 COMPREHENSIVE INTEGRATED MASTER DEVELOPMENT PLAN (CIDMP)**

In 2018, the preparation of the Comprehensive Integrated Master Development Plan (CIMDP) by BCDA through the consortium of AECOM-Philkoei-Pertconsult was in full swing. PPMC participated in various consultation and coordination meetings and activities conducted as well as provided all the necessary information needed for the project.

The CIMDP aims to creates synergies on the developments among BCDA properties - Clark Freeport and Special Economic Zone, John Hay Special Economic Zone, Poro Point Freeport Zone and Bataan Technology Park including the Subic Bay Freeport Zone.

The initial conceptual plan of the CIMDP was presented to BCDA subsidiaries on November 23, 2018.

## **6.3 PORO POINT BAYWALK WITH EVENTS CENTER**

The Poro Point Baywalk with Events Center is one of the places to visit inside the Poro Point Freeport Zone. This new development is a welcome addition to the Zone's growing list of business, leisure and tourism destinations such as the Thunderbird Resorts and the historical Poro Point Lighthouse, among others.

Bikers, joggers and wellness groups flock every day at the Poro Point Baywalk to exercise and enjoy the scenic view of the San Fernando Bay while families with their children take pleasure in the playground and picnic areas.

The Poro Point Baywalk has also played a vital role in boosting tourism inside the Zone as it hosts different events and activities organized by various agencies, both government and private, and civil society groups.

The baywalk hosted several fun runs, team building activities, zumba sessions, sportsfest and anniversary celebrations organized by various agencies, both government and private, and civil society groups. A total of twenty eight (28) events were held at the baywalk for 2018.

In 2018, PPMC was fortunate to host the venue for the annual Mutia ti La Union. The Provincial Government of La Union in celebration of the 168<sup>th</sup> Foundation Anniversary of the Province staged the Grand Coronation Night of Mutia ti La Union at the Poro Point Baywalk on March 2, 2018. The event drew 40,000 visitors.

PPMC supported events and activities of various government agencies. For (3) three consecutive years, the Civil Service Commission (CSC) Region I conducted its Philippine Civil Service Anniversary Run at the baywalk. This event draws thousands of government employees in Region I annually.

Similarly, the Bureau of Fire Protection (BFP) Region I held its annual Regional Fire Olympics for three (3) consecutive years at the baywalk. The Department of Trade and Industry Region 1 has been successfully holding its Consumer Run at the baywalk for the past two (2) years while the Bureau of Jail Management and Penology (BJMP) Regional Office has likewise conducted its various Strength Agility Tests at the baywalk.

#### **6.4 PORO POINT BAYWALK COMMERCIAL AREA**

The Poro Point Baywalk also has a Commercial Area consisting of forty-four (44) cut-lots which can be leased for tourism and commercial-related enterprises and which form part of the development of the mixed-use commercial area inside the Zone.

In the first quarter of 2018, PPMC welcomed its second locator at the Poro Point Baywalk Commercial Area. The application of Lemon Hub by Sunsai as Poro Point Baywalk Locator for the establishment of a Food Park was approved by the PPMC Board on February 28, 2018.

Anchor tenant at the Poro Point Baywalk Commercial Area, Adeline's House of Food and Beverage and Atrium Travel and Tours, was formally opened to the public on June 2, 2018.

#### **6.5 SAN FERNANDO INTERNATIONAL SEAPORT**

On June 7, 2018, the PPMC Board approved the application of Inazuma Corporation as PPFZ Registered Enterprise. Inazuma Corporation's primary line of business is importing, trading and selling brand new and second-hand motor vehicles and spare parts. The company is leasing an area at the San Fernando International Seaport and has an investment commitment of US\$476,044.00 and employment commitment of 335 employees.

## **6.6 SAN FERNANDO AIRPORT**

The airport has already positioned itself in the aviation training industry in the country with eighteen (18) aviation schools using the San Fernando Airport for their flight training. For year 2018, PPMC continued its intensified efforts to make the San Fernando Airport an Aviation Training Hub.

PPMC welcomed its second aviation training school at the San Fernando Airport. AAG International Center for Aviation Training Corporation (AICAT), sister company of Alpha Aviation Group Philippines, Inc. (AAG) located in Clark Freeport Zone, has leased an area of 8,804 square meters for establishment of an aviation school, hangar and other related aviation facilities. AICAT committed to invest US\$4.4 Million.

Before the yearend, PPMC also approved the expansion of Leading Edge International Aviation Academy, Inc. (LEIAAI). On December 20, 2018, PPMC and LEIAAI, entered into a Contract for the lease of an additional area of approximately 1,493 square meters at the San Fernando Airport for establishment of a building to be used for the expansion of LEIAAI's Aircraft Maintenance shops and other aviation-related facilities. In 2014, LEIAAI offered classes for Aircraft Maintenance Technician Training Courses and with its successful operations in aircraft maintenance, LEIAAI expanded its facilities.

For the year 2018, PPMC continued to pursue undertakings for the possible establishment of commercial flights at the San Fernando Airport. In partnership with Leading Edge Air Services Corporation (LEASCOR), efforts were pursued towards establishing chartered flights at the San Fernando Airport. Consultation and coordination meetings were held together with travel and tours agencies and operators in City of San Fernando, La Union for possible unscheduled chartered flights including tour packages.

## **6.7 MARKETING AND PROMOTION**

PPMC underscores the importance through continuously strengthening its marketing and promotional efforts for the Zone with its participation in various events, tourism and trade activities, investment forums, conferences, expo and exhibits.

In the past two (2) years, PPMC participated in the Kabisig Philippine Government Expo and Trade Fair. This event brings together in one venue all government and instrumentalities, including GOCCs and LGUs to feature their respective profiles, service facilities, programs, projects, products and accomplishments, thereby providing an opportunity for the government to promote public awareness and participation in national development.

The participation of PPMC in various tourism fairs provided an opportunity to showcase the tourism facilities in PPFZ. PPMC joined the Provincial Government of La Union in the Philippine Travel Mart (PTM). PTM is the longest running travel exhibition organized by the Philippine Tour Operators Association (PHILTOA) in partnership with the Department of Tourism (DOT). This annual event showcases Philippine destinations and updated tour product offerings for domestic and foreign visitors in the country.

For the past two (2) years, PPMC also joined the North Phil Expo, which is an annual event that showcases tourism and cultural wonders of Northern Philippines as well as other regions in the country, and the Department of Tourism (DOT) Region I Tourism Convention. Region 1 Tourism Convention is an annual event that brings together tourism stakeholders and participants from various parts of Region I to exchange ideas, network, discuss issues and strengthen partnerships towards a more responsible and inclusive tourism sector.

Furthermore, PPMC supported and participated in the various events and activities as a way of strengthening its linkages with public and private sector and civil society organizations.

For the past four (4) years, PPMC participated in the various activities of the Philippine Investment Promotion Plan (PIPP) Group which include the PIPP Technical Working Group Meeting, PIPP Steering Committee Meeting and the PIPP Planning Sessions. The PIPP Group is an aggregation of Investment Promotion Agencies (IPAs) in the country aimed to create and strengthen the initiatives in pursuing an integrated, collaborative and harmonized investment promotion programs for the Philippines.

Similarly, the Regional Development Council of Region I (RDC-I) recognizes the important role of the Poro Point Freeport Zone in the region's development. ## **6.8 SILLAG PORO POINT FESTIVAL OF LIGHTS**

Poro Point Management Corporation (PPMC) staged the 7<sup>th</sup> SILLAG Poro Point Festival of Lights on April 6, 7 & 8, 2018 at the Poro Point Baywalk, Poro Point Freeport Zone, City of San Fernando, La Union. This year's three-day festivities drew a crowd of approximately 110,000.

This year, pre-festival activities opened the 7<sup>th</sup> SILLAG. The SILLAG Art Contest was held on March 23 to April 1, 2018. A total of eighty-four (84) participants joined the said competition in different categories (elementary, secondary, college and open category). Since 2018 is a banner year for PPMC as it celebrates the 25<sup>th</sup> Anniversary of the creation of the PPFZ, the theme of the artworks was "*A promise of a bright future of Poro Point Freeport Zone in the next 25 years.*" The various artworks were displayed in different areas of the SILLAG Village.

The SILLAG Trade and Food Fair also opened on March 23, 2018 and ran until April 9, 2018. A total of fifty-four (54) local restaurant owners, food vendors and exhibitors joined the fair. The participants dressed up their respective booths with Ilocano-inspired and Farm-inspired decorations. Best Dressed Booth awards were given to Halo-Halo de Iloko Restaurant (1<sup>st</sup> place), Café Esperanza (2<sup>nd</sup> place) and Villa Navarro Resort (3<sup>rd</sup> place).

The first day of the festival proper, April 6, 2018, started with the Bonsai Competition and Suiseki Exhibit. A total of one hundred ten (110) bonsai and suiseki enthusiasts participated in the event. Various Bonsai and Suiseki creations were displayed in the SILLAG Village during the 3-day event. A Bonsai Demonstration was also held every afternoon of the 3-day event to promote and encourage visitors to take on this form of art.

Every year, PPMC includes festival events and activities that highlight major infrastructures inside the Zone. During the 3-day event, PPMC included open house and tours of various facilities and infrastructures of the Zone.

On the first day of the festival, the San Fernando Airport welcomed tourist and guests to the Open House of Leading Edge International Aviation Academy, Inc. (LEIAAI). LEIAAI is an aviation school located at the San Fernando Airport. Visitors were treated to a guided tour of the school facilities including its simulation room and hangar wherein various aircrafts used for flight training were parked. The Open House is a festival activity conceptualized to promote the aviation industry.

The San Fernando International Seaport was likewise opened to the public with the Open House/Guided Ship Tour in partnership with Philippine Navy. BRP Miguel Malvar docked at the San Fernando International Seaport where tourists and guests were welcomed by the gallant men and women of the Philippine Navy.

The Poro Point Lighthouse, a unique historical landmark inside the PPFZ, serves as the focal point of the festival. In partnership with Philippine Coast Guard, a tour of the Poro Point Lighthouse was included in the 3-day festivities. Visitors experienced the 96-step climb going to the top of the lighthouse to see the panoramic view of the whole peninsula.

As the sun set, the crowd as well as fun run participants and Zumba groups gathered at the Poro Point Baywalk Events Center to join in the fitness-party: Zumba by the Bay. Afterwards, a total of 1,006 runners competed in the SILLAG Sunset Run for Hope. There were three (3) categories for the run, 3k, 5k and 7k.

Participants of the fun run joined the Hope Lantern Ceremony wherein all the 1,006 participants were given an LED Balloon. The LED Balloons were tied in a “*Wall of Dreams*” that represents the collective aspirations of the people of La Union for a brighter future. The first day of the festival was capped by the performance of the Shamrock band.

The second day of the festival proper, April 7, 2018, started off with the SILLAG Golf Cup. PPMC and BCDA Board of Directors opened the golf tournament which was participated in by fifty (50) golfers. The SILLAG Golf Cup was held at the Cliffs Golf and Beach Club of Thunderbird Resorts.

In the afternoon, a Kite Flying Competition was held at the SILLAG Village. A total of eighteen (18) participants joined the competition. After the competition, the crowd witnessed the remarkable performance of the Philippine Military Academy (PMA) Marching Band and Silent Drill. PMA Class 2020 Masidlawin wowed the audience with their synchronized formation and drill.

A *Motorismo* event was also held in the afternoon of April 7. The event was participated in by fifteen (15) motorcycle riders/enthusiasts. The *Motorismo* group travels in various places and provinces in their motorcycles with an end view of featuring and promoting the tourist destinations in each province. Motorcycles and bikes used by the *Motorismo* group were displayed in the event area for viewing.

At night, the Street Dancing Competition was held wherein seven (7) schools in the Province of La Union competed. The competition started with the initial performance of the seven (7) contingents using the music “Piliin mo ang Pilipinas.” Dancers were adorned with light-emitting costumes that illuminated the Poro Point Baywalk. In the end, Santiago Elementary School took home the grand prize followed by La Union National High School. Coming in third place was San Jose National High School.

The band True Faith serenaded the crowd with their all-time hits closing the second night of the festival.

The last day of the festival kicked off with an Air Show. Four (4) aircrafts from Leading Edge International Aviation Academy, Inc. performed fly-by and aircraft exhibitions.

The audience was regaled by the back to back performance of the Philippine Marine Drum and Bugle Corps and the Philippine Air Force Marching Band. Simultaneously, a Children's Show was held at Poro Point Baywalk Playground while a total of thirty-four (34) participants joined the Cosplay.

The evening of the third day was illuminated by the performance of POI Dancers. The crowd witnessed the spectacular light show of the LED Dancers and the breathtaking performance of the Fire Dancers.

While activities at the event area were ongoing, the Lights Parade started in the City of San Fernando Plaza going to the Poro Point Baywalk. The Lights Parade Competition is one of the highlights of the festival. The parade featured illuminated and decorated floats from participating government agencies, business firms and various organizations. A total of ten (10) floats participated. The Fun Cycling Club consisting of fifty-two (52) bikers clad in their light-emitting costumes and decorations led the parade of floats. The grand prize of the Lights Parade competition was awarded to LORMA Medical Center followed by the float of 580<sup>th</sup> Aircraft Control & Warning Wing, PAF. Coming in third was the float of Saint Louis College.

The 7<sup>th</sup> SILLAG Festival culminated with the grand spectacle of lights, colors and sounds as the Pyromusical Show lit up the night sky on the last day of the festival. The amazing 12-minute show enthralled the children and adults alike. A concert of 6 Cyclemind band and members of Ex-Battalion Group and DJs followed the pyromusical show.
