**RE : REVALIDATION RESULT OF 2019
PERFORMANCE SCORECARD OF PPMC**

Dear PCEO Racadio:

This refers to the letter of PPMC dated 11 November 2020¹ requesting for reconsideration of the validation of the following selected Strategic Measures (SM) under the GCG-validated 2019 Performance Scorecard:²

- a. *SM 1: Number of Locators Meeting Best Use Criteria or New Developmental Projects Signed;*
- b. *SM 2: Actual Investment in the Poropoint Freeport Zone (PPFZ);*
- c. *SM 6: Implementation of Infrastructure and Development Projects; and*
- d. *SM 8: Percentage of Requests Processed within the Applicable Processing Time.*

Review and evaluation of PPMC's request including the additional documents submitted³ are summarized in the Revalidation of PPMC's 2019 Performance Scorecard attached as **Annex A**. Foregoing considered, PPMC's validated score is hereby **INCREASED** from 59.16% to **94.95%**. The same is to be posted in PPMC's website, in accordance with Section 43 of GCG Memorandum Circular (M.C.) No. 2012-07.⁴

Further, the Governance Commission formally transmits the Result of the Validation of Good Governance Conditions (GGCs), Support to Operations (STOs), General Administration and Support Services (GASS), and Other Cross-Cutting Requirements provided by the Inter-Agency Task Force (IATF) of the Harmonization of National Government Performance Monitoring, Information and Reporting Systems (**Annex B**) which enumerates the final Non-Compliant agencies who failed to meet the IATF requirements for the grant of the 2019 Performance-Based Bonus (PBB).

Based on the List of Non-compliant GOCCs covered by Republic Act No. 10149,⁵ PPMC was found to be non-compliant with the Procurement Requirements, particularly the FY 2019 APP Non-CSE Submission. Under Item 4.3. of GCG M.C. No.

¹ Officially received by the Governance Commission on 16 November 2020.

² Officially received by PPMC on 26 October 2020.

³ Officially received by the Governance Commission on 03 December 2020, 09 December 2020, and 24 March 2021 and 16 April 2021.

⁴ CODE OF CORPORATE GOVERNANCE FOR GOCCs, dated 28 November 2012.

⁵ GOCC Governance Act of 2011

2019-02,⁶ the timely submission of Annual Procurement Plan is identified as one of the Other Conditions and Requirements (OCRs) which all GOCCs are required to comply. Further, Item 4.3.1 of the same GCG M.C. provides that “*officials and employees responsible for the compliance of the OCRs, shall not be entitled to the PBB for the applicable year if the GOCC fails to comply with any of these requirements.*” Hence, though eligible for the grant of the 2019 PBB, the GOCC must isolate the individual(s)/unit(s) most responsible for not meeting the above deficient conditions and requirements.

Considering that the PPMC has satisfied the Good Governance Conditions Common to National Government Agencies and Specific to GOCCs provided in the applicable AO 25 IATF PBB Circular and as enumerated under Item 4.2. of the GCG M.C. No. 2019-02, note that Item 12 of the same M.C. provides:

12. **CHECKLIST AND TIMELINE.** – GOCCs applying to grant the PBB within their respective corporations shall submit the complete required documents enumerated in *Annex A* strictly in accordance with the prescribed forms and within one year from receipt of the GCG-validated Performance Scorecard. (*Underline in the original.*)

In relation to the grant of 2019 Performance-Based Bonus (PBB) to eligible officers and employees, PPMC is reminded that it can grant such incentive only upon receipt of confirmation letter from the Governance Commission. In this regard, the Board is reminded that any unilateral action to release the PBB before the confirmation will be considered as a violation of the Board's fiduciary duty to protect the assets of the GOCC as provided under Section 19 of Republic Act No. 10149.

FOR YOUR INFORMATION AND GUIDANCE.

Very truly yours,

cc: The Resident Auditor - PPMC

⁶ Interim Performance-Based Bonus dated 25 July 2019.
